## Calvary Campaign

Calvary Church reached out for a second year to serve the guests staying at MCSA, and we could not be happier. The thoughtful multi-month campaign features a cheery group of volunteers serving dinner each weeknight, and a large supply drive orchestrated by the congregation. We appreciate their kindness!

## A Warm Welcome!

MCSA gladly welcomes to the team Jason Dornbush, our new Permanent Supportive Housing and Project Manager! He comes to us with a plethora of knowledge relating to project management, and has a wonderful personality. He looks forward to working with clients in our supportive housing units and bringing projects to live at MCSA.

## Updates from Boots

Boots has been enjoying her time at MCSA, and wanted her 15 seconds of fame! She loves greeting people at the door, making dramatic appearances during tours, lounging in the lobby, and eating treats. Boots also loves posing for photos, as demonstrated above. Boots loves attention, so we encourage you to stop in and meet her!

## Coming Next:

In our April newsletter, we are excited to write about our 2019 New Beginnings fundraiser for the Domestic Violence Shelter, new events happening in our building, and more. Be on the look out for our monthly newsletter to stay up to date on all of the interesting things that happen at MCSA.

## To Our Volunteers:

We wish to extend a huge thank you to all of our volunteers that have staffed our desk, prepared meals for guests, organized donations, planned fundraisers, and more. We could not fulfill our mission with the countless hours spent by volunteers in our community!
